Dear Sir

In the matter of my residence duties for SW 31 33 1 W4t
the same having been executed on my fathers land, I beg to state in
reply to yours of Nov 10th 1917 that owing to some reason which I
cannot quite explain the year 1916 after Mar 20 should read 1915 also
that a gross blunder has arisen, (how I cannot say) in connection
with the date Mar 13 1916 (which should be as per above 1915;)

My time in connection with this land should read as follows;-

I lived on fathers homestead the SW 31 33 1 W4th with my father
From Dec 13 1913 to July 22nd 1914
--- Mar 20 1915 to April 25 or 27 1915

And fathers preemption the NE 31,33 1 W4th

From April 25 1915 to July 31 st 1917 and also to present date.

It is possible I am responsible for the discrepancy which shows
me on my fathers preemption a month prior to his coming on the same,
the facts are that I and my brothers were working on the land
making Preparations to build a new house but actually we slept in
the house of fathers which was over the line a few yrds from where
we were working at new house site, it was not till April 25 or 27 that the
old house was pulled over to the new site on preemption,

I assure you in all truthfulness that there has been no attempt what-
ever to make any misleading statement in connection with this land.

Yours Truly

OTTAWA - JAN 7 1930

MEMORANDUM:

Request for transfer of Dominion Lands under section 47 of the Soldier Settlement Act.

Re: Samuel Hamilton Scott,
N.W.¼ 35-60-19-W.4th (Homestead)

The above described land was purchased by this settler under homestead entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in July, 1919, and in the four succeeding years from the date of his agreement, $1800.00, as follows: land and permanent improvement, $1800.00; stock and implements, $2089.20; special advances, $228.00. In securing the Board's loan a mortgage was taken on the settler's homestead. There is no other land security in connection with the N.W.¼ 35-60-19-W.4th purchased for the settler but has been resold.

In February 1923 the field supervisor reported that on visiting the settler's farm he found the latter in hospital, and unable to see him for the purpose of obtaining his farm. The settler informed the field supervisor that he was selling out and moving to the city. The District Office did not receive a visit from the settler. The supervisor did everything possible to persuade him to change his decision and remain with the proposition but without success. The settler's agreement with the Board was rescinded pursuant to section 47 of the Soldier Settlement Act in February, 1924.

After crediting the sale price of the quarter section purchased for the settler his indebtedness amounted to $1470.63. The homestead was appraised in November last at $600.00. No offers have been received for the disposal of this land and no offers have been received.

The land in question is charged by way of the agreement with the settler in default under section 47 of the Soldier Settlement Act, and the settler having failed to comply with requirements of his agreement and the Board, it is hereby proposed that the said land, title and interest of the said settler in the said land be forfeited to the Board, and that all the right, title and interest of the said settler and all other rights and equity to and in the said homestead land be vested in the Board.

The Board has given credit for the land under the recent amendment to section 26 of the Act, as $600.00 of the amount referred to in the second paragraph hereof was made by the settler subsequent to his entry for said homestead.

A vesting order for signature is attached hereto.

DOMINION LANDS ADMINISTRATION

Copy to A.D.L., Lethbridge.
Ref. #103280.

OTTAWA, 9th February, 1929.

Sir,-

N.W. ¼ Sec. 31 Tp. 23 Rge. 8 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

George A. Hackwell, Esq.,
Vimrundy,
Alberta.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

P.S. With regard to your inquiry concerning taxes, you should get in touch with the Secretary-Treasurer for the municipality in which the land you select is located and he will give you full information in this connection.

If you will communicate with the Agent of Dominion Lands, Calgary, mentioning one or two townships in the vicinity of the land you are interested in, he will furnish you with diagrams showing what lands are vacant and available for homestead purposes.

Dear Sirs:

Re: N.E. ¼ 19-66-13-W.4th.

I am endeavouring to assist my

date of his birth, except his Naturalization
Certificate No. 30186, Series A. issued May 1st, 1924

The Pension Board suggested that it
may accept as satisfactory a letter from your

Your early reply to me will be

Sir,-

[illegible] of Sec. 20 Tp. 74 Rge. 7 West 6th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre emption or purchased homestead entry will not be permitted to abandon the same in his own favour or a relative for the purpose of making entry for the land as a second homestead

If you are indebted to this Department for seed grain or [illegible] the land taken under the authority of this letter will be subject to such indebtedness.

DOMINION LANDS ADMINISTRATION

OTTAWA, 14th September, 1916.

Sir,-

N.W. Sec. 26 Tp. 66 Rge. 4 West 6 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 31st January, 1908, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, and are entitled to another homestead, and the prescribed declaration and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for admitting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided the Land Office is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Memorandum:

File No. 4-2801.

OTTAWA -

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: J. A. Martin,
S.W.¼ 7-53-24 W.4th M. (Hsd.)
S.E.¼ 7-53-24 W.4th M. (S.)

The above-described land is the unpatented homestead and soldier grant of this settler.

On the 7th June, 1920, the settler secured advances from the Board totalling $1577.00, as follows: stock and equipment, $1377.00, permanent improvements, $200.00. As security the Board holds a charge on the settler's homestead and soldier grant. There is no other land security held by the Board in this case.

Subsequent to the initial loan approved in his favour

The Board is informed that the settler has completed the duties in connection with his homestead and soldier grant, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letters from the Secretary of the Department of the Interior to the settler, dated the 24th June, 1927.

On the 4th June, 1921, P.C. 1211, enable the Minister, or Commissioner of Dominion Lands, at the request of the Board to vest the settler's right, title and interest in the unpatented Dominion Land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The regulations approved by the Governor in Council

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he has templates discontinued his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ 7-53-24 W.4th M. and the S.E.¼ 7-53-24 W.4th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 38 of the Soldier Settlement Act, as $1173.27 of the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his grant, and all the advances subsequent to the date of entry for his homestead.

A Vesting Order for signature is attached hereto.

OTTAWA,

ADMINISTRATION

OTTAWA

Sir,-

Sec. Tp. Rge. West Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1908, the right to take up a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the homestead or homesteads described as ... this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for the vacant and available quarter section of Dominion Lands at the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

DOMINION LANDS ADMINISTRATION

OTTAWA, [illegible]

Sir,-

[illegible] Sec. [illegible] Tp. [illegible] Rge. [illegible] West [illegible] Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Dear Sir:

I am in receipt of a copy of your letter of the 19th instant, addressed to the Co. Agriculturist, Vancouver, enclosing their letter to your Department dated the 11th instant, requesting information regarding the sale of Richard Hamilton of Peace River, [illegible].

In checking the records of this Department, I find that Richard Hamilton obtained homestead entry for the [illegible]-10-12-[illegible]-5th Mer., and not [illegible] as mentioned in their letter. Patent issued prior to the transfer of resources to the Province of Alberta, and I have therefore no file record in connection with this entry.

I am therefore returning the old file application Board's letter dated the 11th instant, for your further consideration.

Yours truly,

Your File 45356.

With reference to your letter of August 11th in which you requested information regarding the area of the above named land as being in Township 55. By letter of August 19th I advised you that I was referring your letter to the Director of Lands, Department of Lands and Mines, Edmonton, Alberta, as the file in this connection had previously been sent to the Province of Alberta. I have just been informed by the Director of Lands that the correct number of the township is 56 and therefore I am now able to furnish the information you require.

In his sworn statement dated July 9th, 1917, furnished in support of his application for homestead patent for the NE¼ of 18-56-13-W5th Mer., Richard Hamilton gave his age as 42 years.

Yours very truly,

DOMINION LANDS ADMINISTRATION

Copy to A.D.L., Edmonton.
File #100452.

OTTAWA, 1st December, 1910.

Sir,-

N.E. 4 Sec. 21 Tp. 61 Rge. 1 West 5 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting to settlers, who had obtained patents for their homesteads, the right to enter on or before the 1st January, 1911, and thereby to obtain a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only homestead entry you have obtained, and provided patent, you are entitled to enter for another homestead settlement and cultivation, and this letter, or a letter to any Agent or Sub-Agent of Dominion Lands, will be his authority for issuing you homestead entry for the quarter section above described, subject to the usual terms, provided he is aware of no reason to the contrary.

I may inform you that the holder of an unpatented pre-emption or purchased homestead will not be permitted to enter for a second homestead, nor will not favour the relinquishment of the former in order to secure the land as a second homestead.

If you are required to make Declaration for seed grain or relief, the Declaration must be made before a Justice of the Peace, and this letter will be sufficient authority for such Declaration.

Your obedient servant,

O.S.

DOMINION LANDS ADMINISTRATION

OTTAWA, 4th January, 1929.

Sir,-

Sec. 10 Tp. 62 Rge. 7 West 5 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers who had obtained patent, or who had become entitled to patent, and obtained title, or who had the right to make application for patent before the 31 January, 1925, homestead entry on the usual homesteading terms.

This is for the information of those who obtained patent for the first homestead above described, and provided this is the only homestead you have obtained homestead patent, you are entitled to another homestead, and the pre-emption and settlement duties of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for the vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

John William Lee,

[illegible] matter of an application for [illegible] adjustment of indebtedness [illegible] in the above mentioned [illegible] to [illegible], [illegible] as a basis to deal with such cases. [illegible] investigation I am now in a position to report as follows:

In 1[illegible] relief amounting to $ 5.00 was [illegible] to Dominion [illegible] security of [illegible]. Payments of $10.00, $10.00 and $ .00 were received in [illegible], 20 and 21, respectively, and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 5.31	$ 8.33	$ 13.64

The [illegible] 2-32-7- 5 was formerly the [illegible] entry of the settler on which security he obtained an advance of relief in 1[illegible] 15. His entry was later cancelled. Title to the land was later obtained by a [illegible] with an [illegible]. There is no record of [illegible] having ever been registered against the land.

In 19[illegible] title reverted to the Crown in the right of the Province. The land is still vacant and no longer being operated. There is an accumulation of $516.[illegible] arrears of taxes outstanding against the land.

As the lien was never registered against the land and there is no further security for our advance, it is recommended that the balance of the indebtedness be cancelled.

Copy to A.D.L., Edmonton,
Reference - 190410.

Sir,-

N.W. ¼ Sec. 24 Tp. 64 Rge. 27 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I may to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto, on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Ref. #190681.

OTTAWA. 10th of November, 1928.

Sir,-

H.E. ¼ Sec. 8 Tp. 61 Rge. 21 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Pawlo Fidyluk, Esq.,

S.W. 1/4 Sec. 17 Tp. 61 Rge. 21 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,-

N.E. ¼ Sec. 35 Tp. 30 Rge. 3 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

W. V. W.
OCT 13 1928

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Calgary, March 2, 1916.

Sir:

I beg to state that whilst make certain inspections in Township 23-5, West of the 5th Meridian, I had occasion to go over the south west quarter of section 12 in the township, and find that this quarter-section has on it about 150,000 feet of merchantable timber and fire, also a large quantity of smaller timber running from four to seven inches on the stump, all of which is green. This land I understand is the homestead of a man by the name of MacIntosh. There are no improvements on the land whatever with the exception of a small log stack and stable, and the land is absolutely unsuited for agricultural purposes other than ranching, and should be placed in a reserve for general timber purposes. The entrant I understand suddenly disappeared from this land and has not been since heard of.

Calgary, March 17, 1916.

I have the honor to enclose herewith a communication received from Mr. Timber Inspector Smith regarding the timber on the south west quarter of Section 12, Township 3, Range 5, West of the fifth Meridian, which is the homestead entry of r. J. A. Mcl,tosh, against which cancellation proceedings were instituted on behalf of W. H. Rowan on the 14th of September,1914, Mr. McIntosh being last communicated with on the 20th of April, 1915, when time until the 1th of July following within which to furnish satisfactory evidence of cultivation. Since that date this case has mysteriously disappeared and the matter of locating him is at the present time in the hands of the police, and cancellation proceedings have been held in abeyance, pending information as to his whereabouts. I would ask you under the circumstances what action should be taken in connection with the Inspector's recommendation.

Referring to your letter of the 7th ultimo, file 88714, and to your letter of the 17th of March last, addressed to the Controller of the Timber & Grazing Branch, enclosing a report by Crown Timber Inspector Smith, on the SW¼ of 1-23-5, W.5th.M., I am to ask you to instruct a Homestead Inspector to visit the land as soon as possible and ascertain exactly what the entrant, Mr. J.A. Kindly see that this matter is attended to without delay and make a careful note in your record concerning the value of this land for timber, so that the matter will not be overlooked in the event of the present entry being cancelled.

In view of reports from a Homestead Inspector and a Timber Inspector in 1918, it was decided to cancel the then existing entry of one J. A. McIntosh and reserve the above described quarter section for timber purposes.

The Homestead Inspector's report is as follows:-

> "I am of the opinion this land should be cancelled and reserved for timber purposes."

Timber Inspector Smith's report is as follows:-

> "I beg to state that whilst making certain inspections in Twps 13 & 23 - 5 W. 5th Mer. I had occasion to go over the South West quarter of Section 13 in this Township and find that this quarter section has on it 200,000 ft. of merchantable tamarac and pine, also a large quantity of smaller timber running from four to seven inches on the stump, all of which is green. This land I understand is the homestead of a man by the name of McIntosh. There are no improvements on the land whatever with the exception of a small log shack and stable, and the land is absolutely unsuitable for agricultural purposes other than grazing, and should be placed in a reserve for general timber purposes. The entrant I understand suddenly disappeared from this land and has not been since heard of."

In view of the policy of making available as much land as possible for soldier settlement, I think that a Timber Inspector might be asked to visit the land again and report very fully as to its character, value etc. and whether in his opinion the present reservation should be continued or whether the land should be thrown open for soldier settlement.

...r Harold:

There is a matter in which my wife and I are interested which I should like you or Mr. Murphy to take up with the Deputy Minister of the Interior.

There is a tract of land on the Elbow River about twenty five miles up the river from Calgary which has been subdivided and the plan of subdivision is on record in the Land Titles Office at Calgary as "Bragg Creek Subdivision Plan No. 8556, C.I." I am enclosing herewith a blue print of this Plan. My wife and I have purchased lots 9 and 10 shown on this Plan. On the 1st instant on the application of the owner of this subdivided tract, and order was made by Mr. Justice Ives here cancelling the twenty foot lane which is shown on the Plan running from the south east corner of the subdivision to the Elbow River. Lots 9 and 10 will accordingly be enlarged so as to include t e portion of the lane lying immediately south of these two lots.

I am enclosing also a Plan which has just been made at my request by H. H. Moore, D.L.S. showing a parcel of 3,08 acres being part of the south west quarter of section 12-23-5 W.5th meridian which my wife and I are anxious to acquire. You will notice that the

Please let me hear from you in regard

DEPARTMENT OF THE INTERIOR
GENERAL LAND OFFICE

Washington, D. C.,

If it is desired to consider the application, the applicants should file here an abstract of title showing their ownership of Lots 9 and 10 of this private subdivision. There does not appear to be any reason why this extent of land should be required for the simple purpose of giving access to the site of the cottage. Apparently some reservation in the form of a strip of land across the top of the plateau and connecting with the statutory road allowance on the west should be sufficient, say one chain in width, and a proper description of such a strip should be furnished, but if such a strip is required in the form of a roadway the applicants should deal with the Province as all road matters are under its control.

Respectfully submitted,

Memorandum.

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior.

Re Part S.W.¼ 11-[illegible]-W.5th M.
4.6 acres.

Referring to your memorandum of the 16th instant, I beg to report as follows.

The papers in connection have been placed on file as requested.

Mr. Wm Mrs. Howard McLean, the reputed owners of Lots 1 and 2 of a private subdivision of the section of the North West quarter of section 11 in the above mentioned township desire to erect a summer cottage at the extreme south west corner of Lot 2 and in order to obtain access thereto desire to purchase 4.6 acres of the North West quarter of section 11. The parcel applied for is coloured in pink on the sketch which accompanies the application. It is stated that the applicants are coloured in Lots limited to be owners only and that the cottage is to be built on the bluff at the south west corner of Lot 2. This is indicated on a plan of survey by J. . . Moore, D.L.S., attached. It is not clearly indicated how the acquisition of these 4.6 acres will give access to the portion of the cottage as there is no public access to the parcel of 4.6 acres from the statutory road allowance on the west boundary of the quarter section. There was, however, possibly may be, a trail which had been used across the other quarter section as indicated by the dotted line on the small sketch herewith. The Province surveyed a roadway apparently to replace this old trail as indicated in yellow on the plan. It is also not clear why the parcel applied for should be [illegible] as indicated and as you are aware there are no lands for sale at the present time within the exception of fractional quarter sections of sixty acres or less which might be sold to the owners of adjoining land. In this case the South West quarter of section 11 is not fractional. The whole of it is reserved for timber. It is stated in the application that there is very little timber on this parcel. The surveyor's plan shows that there is spruce and poplar of the extent of from 4 to 12 inches in diameter but he does not state what quantity. Mr. York has been requested to state whether he saw any objection to the withdrawal of these 4.6 acres from the timber reserve but states he cannot do so without first having an inspection made as to the quantity of timber thereon.

If it is

23rd November, 1921.

Dear Mr. Fisher,

I am in receipt of your letter of the 9th instant, applying in behalf of Howard M. McLean, Barrister, Calgary, for the purchase of 3.08 acres in the South west quarter of section 12, Township 23, Range 5, West of the 5th Meridian.

It is observed that Mr. McLean wishes this land in order to have access to the lands which he and Mrs. McLean recently purchased in a private subdivision situate in the North West quarter of the section. It is not clearly understood how the acquisition of this area would give access to the location of the cottage as there is no public access to this 3.08 acres from the statutory road allowance on the westerly boundary of the quarter-section.

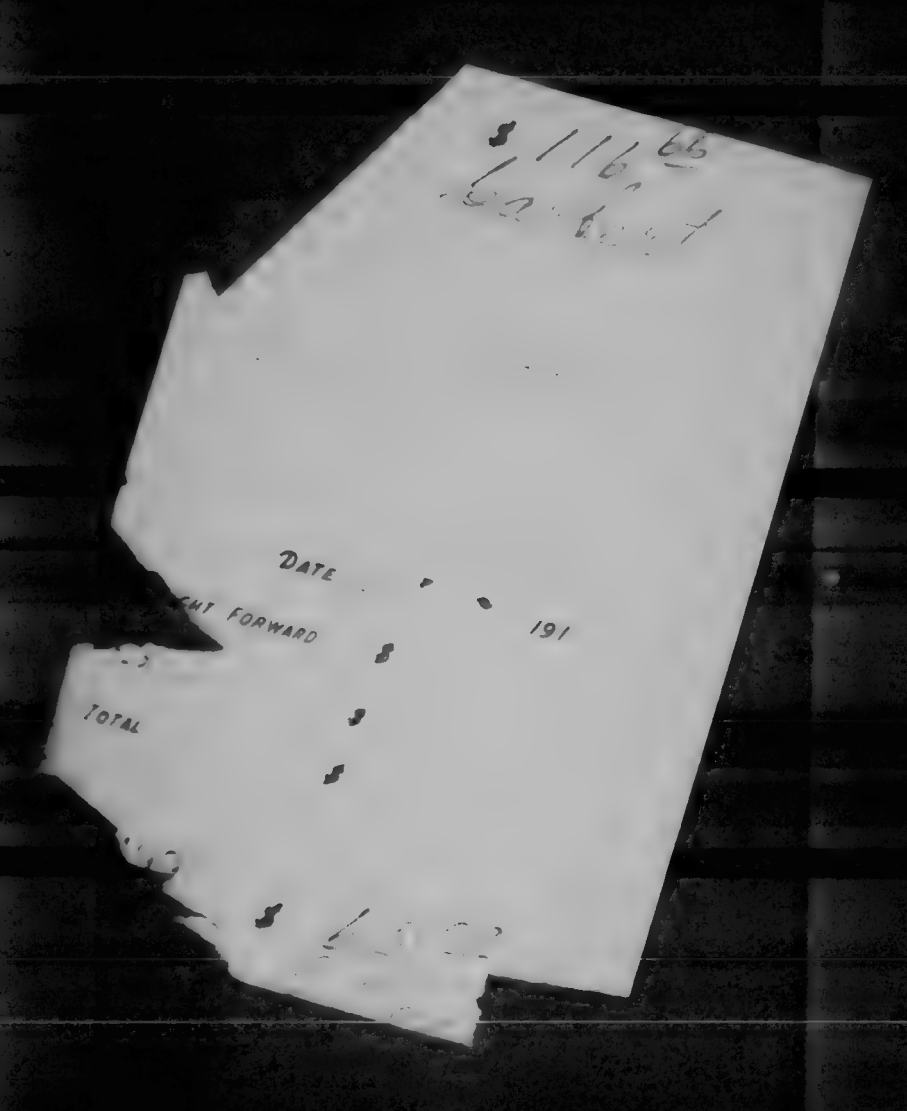

The entire South west quarter is at present reserved for timber on the strength of a report from one of our Timber Inspectors that the quarter-section contains 200,000 feet B.M. of merchantable timber. It is, therefore, necessary to have an investigation on the ground by one of our Departmental officials before the Department could favourably consider the application of Mr. McLean. Our Agent of Dominion Lands, Calgary, will be communicated with at once and he will be asked to have this investigation conducted as expeditiously as possible.

Yours very truly,

Deputy Minister.

the actual value of such parcel per acre and the advisability of entertaining Mr. McLean's application.

A blue print showing the particular 3.08 acres applied for is enclosed which you might hand to the Inspector for his guidance when reporting. It would be well for the Inspector to first interview Mr. McLean and have him mark clearly and as accurately as possible on the blue print the course which he has in mind leading from the public roadway to his ~~summer~~ site on the south east corner of Lot 9. As will be observed from the blue print, the acquisition of the parcel applied for would not afford Mr. McLean access to the statutory roadway bordering on the westerly boundary of the S.W.¼ of 12. The enclosed blue print should be returned to the Department when the Inspector's report is forwarded.

Will you be good enough to have the timber Inspector make an investigation in this matter as expeditiously as possible.

Sir,-

Re S.W. 12-23-5 W. 5th Mer.

Application has been made to the Department on behalf of Mr. Howard H. McLean, Barrister of Calgary, to purchase a certain 3.08 acres in the above described quarter section, bounded on the north by the northerly limit of the quarter section, as shown on the enclosed blue print based on a survey made by Mr. H. H. Moore, D.L.S. It has been represented that Mr. McLean is the owner of Lots 9 and 10 Bragg Creek subdivision in the N.W.¼ of 12 (a private subdivision) and that he desires the parcel applied for as a means of access by automobile or other vehicle to a point in the extreme southeast corner of Lot 9 where he purposes erecting a summer cottage. It appears that there is a cliff on the south end of Lots 9 and 10 which is accessible only by a wagon trail.

Encl.

The following are extracts taken from a letter written by Mr. McLean with regard to his application:-

"....My wife and I wish to erect a summer cottage at the "extreme south east corner of lot 9. The south end of Lots "9 and 10 and the portion of the lane shown on the Bragg "Creek Plan of subdivision lying immediately south of these "lots 9 and 10 is situated on a cliff to which there is no "access by automobile or other vehicle except by the wagon "trail indicated on Mr. Moore's Plan."

"....If we could acquire from the Department of Interior "this parcel of 3.08 acres shown on Mr. Moore's plan we could "get up the cliff by this wagon trail indicated on the "Moore plan and so have access to the south east corner of "Lot 9 by turning back across the parcel of 3.08 acres shown "on Mr. Moore's plan. You will notice that this parcel of "3.08 acres does not include any of the buildings or other "improvements of the homesteader McIntosh. The timber on "this parcel of 3.08 acres is not of any special value. "We should be willing to pay a reasonable price for this "parcel of 3.08 acres and we are very anxious to acquire this "parcel as without it we would have to build in the low land "on lots 9 and 10 which is apt to be flooded when the Elbow "River is in flood."

Will you kindly have the timber Inspector look into this matter. His report should set out the quantity of merchantable timber on the whole of the ¼ of 12 and more particularly the quantity and value of that standing on the small parcel applied for, - the actual -

Re your memorandum of the 23rd November between, a report is [illegible] to hand from the Timber Inspector with reference to the [illegible] made by Mr. Harold Fisher, Barrister of this City on behalf of Mr. Howard J. McLean, Barrister of Calgary, to purchase a certain 3.08 acres in the above mentioned quarter section. The report reads in part as follows:-

"....on the smaller portion which Mr. McLean has applied to purchase there is no more than 1,500 feet board measure of logs, both poplar and spruce, some being only fit for building timber.

"From an agricultural point of view the land which Mr. McLean has applied to purchase has no value, but I would suggest that if he wishes to purchase the land that he be charged $10.00 per acre for same including the timber thereon, which is reasonable in view of the fact that there is a possibility of the locality developing into a holiday resort. I do not know of any objections to favorably considering Mr. McLean's application."

The course which Mr. McLean has in mind in asking from the public roadway to his cottage site in the N.E. corner of Lot 9 is marked by a dotted black line on the attached blue print.

In the event of this application being given favourable consideration the applicant I think should be required to furnish an abstract of Title showing him to be the registered owner of Lots 9 and 10, Brook Brook Subdivision in the N.E. 14.

Re [illegible] 13-[illegible]-[illegible] 4th Meridian.

Your ultimo o file herewith, will you please state whether the distances and bearings as shown on Mr. [illegible] Moore's tracing are correct. You at present that it will be necessary to include the land between the red and black lines in order to obtain the area of 3.08 acres has been noted.

Regarding your statement that the tracing is not sufficient for reference in letters patent, I may say that it was not the intention to make any reference thereto in the patent to be issued.

With reference to your expression of opinion on the question of making a sale to the applicant in this instance, I would call attention to the fact that Mr. McLean's application was approved by the Deputy Minister before the papers were referred to you on the 16th ultimo (Deputy Minister's approval endorsed on Mr. Cote's memorandum of the 9th ultimo). In the letter in this connection to the copy of letter (recently attached to file) to Mr. Arnold Miller, M.C., dated the 14th ultimo, setting out that it has been decided to permit Mr. McLean to purchase the land at $10.00 per acre, subject to his filing evidence of ownership of lots 9 and 10.

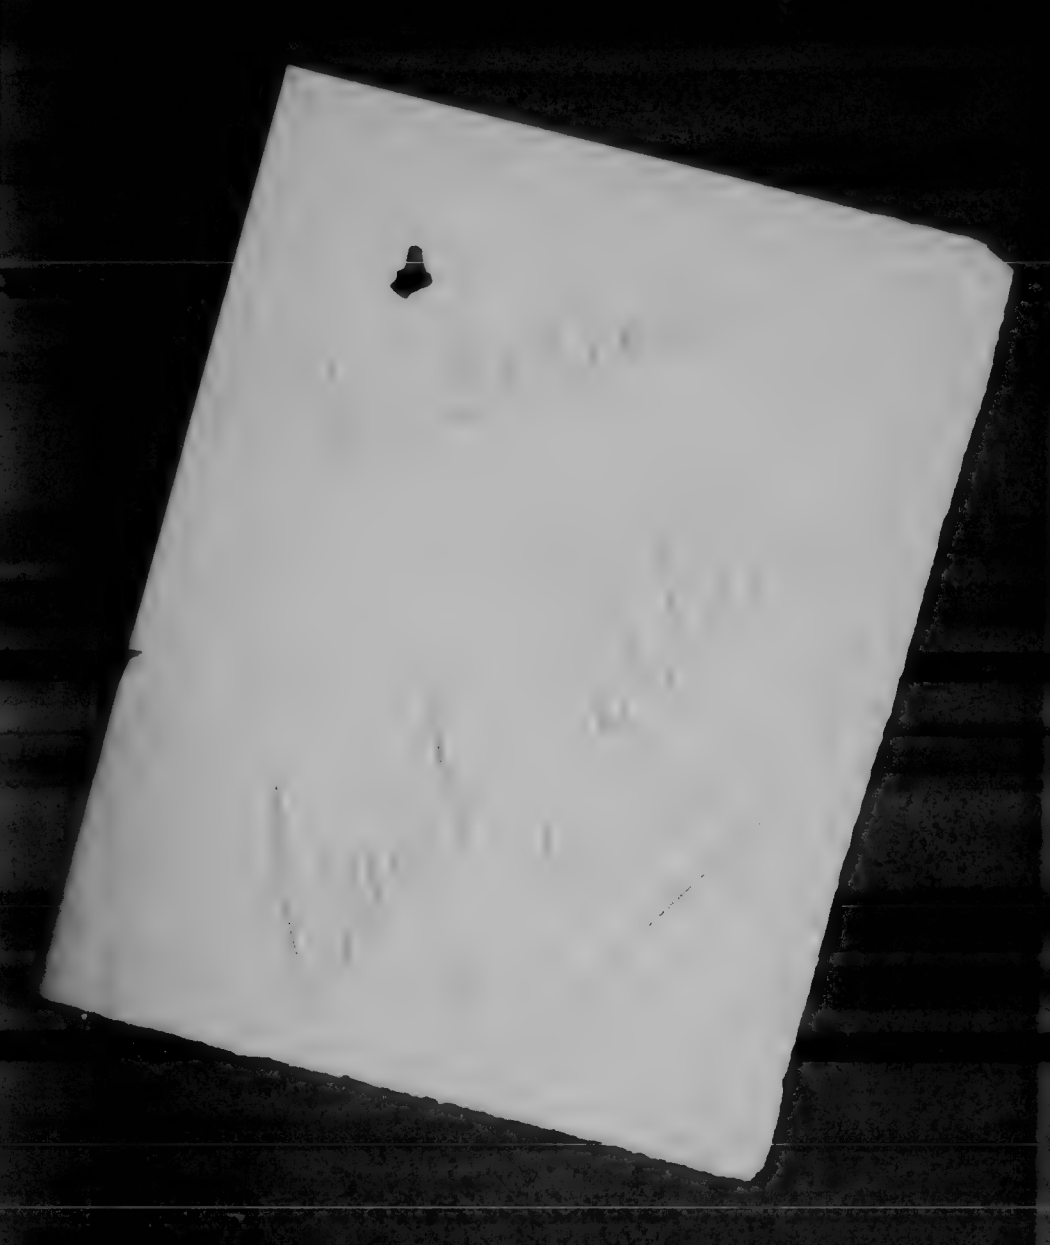

This application was duly submitted to the Deputy Minister by this Branch and in the circumstances there is no inclination on the part of the Branch to resubmit the case. If you wish the objections raised in your memorandum to be considered, the proper procedure obviously would be for you to address a letter on the subject direct to the Deputy Minister.

Sir:-

I am returning herewith Crown Grant for a portion of the S.e. ¼ of 18-23-5-W. 5th Mer, thinking the description should be amended.

The bearings are given as astronomical, but on a plan of the survey of that parcel of land made by Surveyor Moore, the bearings, which are identical to the ones in the Crown Grant are referred to the North boundary of the quarter Section which is shown to be on a bearing S. 89° 43' East.

The same bearing for this boundary is also given on a plan of subdivision of part of the N.W. ¼ of said Section Registered in our office under number 8556 J.I.

Dear Sir:- Re. Your file No.3090765. Plat No.44506.

On or about the 8th March last my wife, Ida Helen McLeod, and I received advices from you to the effect that patent in our favor had issued for part of the S.W.¼ section 18, township 13, range 5, west of the 5th meridian, bearing date 1st. March, 1922.

Since that date I have inquired a number of times at the office of the Registrar of the Land Registration District of South Alberta for the duplicate certificate of title in respect of the said parcel of land and have been informed that the patent was returned to you for correction. My wife and I have commenced to build a house on this land and should like to receive title as soon as possible. We shall be obliged if you will kindly advise us as to when we may expect the corrected patent to be forwarded.

Memorandum:

Referring to your memorandum dated 14th August [illegible] with, in my memorandum of [illegible] I pointed out that before disposing of the [illegible] applied for by Mr. Mellon the boundaries of the [illegible] should be defined by survey and a plan suitable for registration should be submitted. In the letter patent should be submitted. In the survey [illegible] been made as suggested the objection raised by me [illegible] would be obviated.

Mr. Talbot has made [illegible] objection. He bases it upon the assumption that the bearings in the letter patent are derived from [illegible] the township plan and are therefore called astronomical. The term astronomical as used in the description seems little more than to differentiate the bearings from magnetic.

The bearings were undoubtedly derived from those of plan 8556 D.I. which are also astronomical and the description in the letters patent is not defective because of their being so described. The defect in the survey [illegible] apparent when the [illegible] of the boundaries of the territory.

The description in the patent will have to be made satisfactory to the Land Titles. [illegible] way in which to do this is to insert after the word "astronomical" the following clause: "and being derived from the bearings shown on plan registered in the Land Titles Office for the Southern Alberta Land Registration District under number 8556 D.I."

Sir,-

With reference to your File No. 8?14 and your request that an inspection be made of the North East quarter of Section 16, Township 23, Range 5, West of the 5th Meridian, I beg to advise you this land is mostly on a very high hill with steep slopes to the West and is thickly covered with green spruce, jack-pine and poplar. The greater part of this timber is small and is not fit for mill timber at the present time, it is practically all the green timber in the district. There is a small amount of good mill timber which could be made into lumber, but in not this there is more than 20,000 feet. On the west side there is a small strip of land, fairly level, perhaps 8 acres. I called on a man by the name of McLean who has a summer home built on the river front, he claims he has bought this land. There are no other improvements. The people who live near also that the Department reserve this land for Park purposes to be used for people who go out week-ends from Calgary during the summer months to camp. As it is land is practically a mountain and of no value except for the timber, if it is saved, I would think that $7.00 to $10.00 per acre would be a fair value for same.

My File [illegible]

Dear Sir:

Enclosed herewith you will find plan prepared by a Dominion Land Surveyor of a portion of the [illegible] described as the [illegible] of Section 14, in Township 13, Range 7, West of the 5th Meridian, in the Province of Alberta.

The [illegible] section of which this is a part is an unsurveyed district, partly bordering on the Elbow River in the vicinity, some [illegible] miles west of Calgary. Mr. Lloyd H. Fenerty, of the City of Calgary, solicitor, has asked me to make application for the issue of a patent to him for that portion outlined in red on the [illegible] plan, to the area of three acres.

My client's property immediately adjoins a piece patented to Mr. H. A. McLean, which [illegible] by him.

I am informed that the present Water Inspector of Calgary, Mr. George Crocker, has intimated that [illegible] has reported to the Department that it is [illegible] for homestead purposes.

I am further informed that [illegible] value of the property is that it is [illegible] for any purpose other than that to which Mr. Fenerty intends to put it, namely, the [illegible] for summer [illegible].

Will you kindly let me know as to [illegible] may be required to further Mr. Fenerty's application.

Yours truly,

Ainslie W. Greene
per [illegible]

AWG/EL

21st November, 1922.

Dear Mr. Greene.

I am in receipt of your letter of the 30th ultimo, enclosing a plan of the land which Mr. L. H. Fenerty of Calgary, Alberta, wishes to acquire by purchase, on which to erect a log camp for use as a summer cottage.

In reply I may say that a recent inspection was made of this property, and it seems that the settlers of the district wish to have the available portion of the South West quarter of Section 12, Township 53, Range 5, West of the 5th Meridian, reserved for park purposes, so that people from the surrounding towns may use the land during the summer months for camp purposes.

Before making a final decision in connection with the application you submit, it has been thought advisable to have an investigation and the matter will be placed in the hands of Mr. J. W. Martin, Inspector of Dominion Lands Agencies, Calgary. When we receive Mr. Martin's report, I will have you advised of the action which is being taken.

Yours very truly,

Deputy Minister.

21st November, 1922.

Dear Mr. Martin,

It seems from the official files that considerable use is made of the South West quarter of Section 12, Township [illegible], Range [illegible], West of the 5th Meridian, during the summer months by people from Calgary, who go out there and camp over the week-ends.

Some time ago the Department sold 3.03 acres to Messrs. M. W. and I. M. McLean, of Calgary. Other applications are now being received for the same privilege, and before taking any action it is thought advisable to have you go very carefully into the situation.

When reporting you might state whether it would be advisable for the Department to subdivide the property as a summer resort, disposing of the lots by sale after valuation.

Yours very truly,

J. B. Martin, Esq.,
Inspector of Dominion Lands Agencies,
Calgary, Alberta.

Referring to my telegram of the 24th instant, a copy of which is enclosed, I beg to advise you that in the letter of the 21st instant addressed to you by the Deputy Minister respecting a report required on the above mentioned land, that a typographical error appeared in that letter wherein the township mentioned was stated to be 53 whereas it should have been 23. and what timber is remaining on the quarter section is likely to be destroyed. He is also of the opinion that the land is of no value for homesteading purposes and possibly could not be disposed of if put up for sale, and the expense of subdividing into lots would not be justified, at least for the present.

He further observes that the land is now reserved for timber and in order to assist in protecting the timber and also to accommodate any parties desiring to purchase cottage sites, he suggests that applicants desiring to purchase should be permitted to secure small areas after having them properly surveyed at their own expense and that the building of a few cottages might have the effect of increasing the value of the quarter section and suggests $15.00 per acre as a fair price.

The land referred to by the Inspector which has been subdivided is probably in the north west quarter of the section, privately owned, and he appears to be in error in stating that the south west quarter is reserved for timber as this reserv tion was cancelled in April 1922.

In view of this report, I would recommend that the parcel in question comprising 3 acres, be sold under the regulations, to Mr. Fenerty at the valuation of $15.00 per acre placed thereon by the Inspector.

Before the sale is made, the plan which has been furnished should have the approval of the Surveyor General.

Respectfully submitted,

Controller.

Re small parcel of land in
S. .1/4 Sec. 14-23-3-W.4th.,
applied for by Mr. Lloyd E.
Newerty, containing 3 acres.

I beg to return herewith your reference No. 4317, relative to the above mentioned matter and to report as follows:-

The parcel in question is situated on the [illegible] and is shown on the sketch hereto marked, [illegible] a small parcel of about equal size which was sold to [illegible] Glenn [illegible] wife at the rate applied for here and patented later on the 3rd April, 1913.

Under your instructions Mr. J. . Harkin, [illegible] Director of Dominion Land Surveys, made an investigation and report in connection with the parcel now applied for by Mr. Newerty.

As pointed out in my previous report the people living in the vicinity wish the Department to reserve this land for park purposes to be used for people who go out week ends from Calgary during the summer months to camp.

Mr. Martin in his report states the land in the immediate neighbourhood has been subdivided for summer sites or the erection of summer cottages or it is mentioned has been somewhat advertised during the past three or four years but up to date there are only a very few cottages erected or more. It is understood that a few persons during summertime camp in this vicinity, some of whom camp on the south west quarter of section 14, township 23, range 3, west 5th meridian.

He further states that as it is of the minimum [illegible] and of insufficient value nor is there a sufficient demand for same to warrant the Department in subdividing any area thereof for disposal to the public. It is not of much value for any purpose. He also states that if it is reserved for park and camping purposes it might be a convenience to some but if this is done every camper who has no monetary interest there becomes a fire hazard

and what timber is remaining on the quarter section is likely to be destroyed. We [illegible] the land is of no value for homesteading purposes and [illegible] could not be disposed of if put up for sale, and the expense of subdividing [illegible] would not be justified, at least for the present.

[illegible] further observed that the land is now [illegible] timber and in order to assist in protecting the timber and also to accommodate any parties desiring to purchase either site, he suggests that [illegible] to purchase [illegible] be permitted to secure small areas after [illegible] have properly surveyed at their own expense and that the [illegible] a few [illegible] not have the effect of increasing the value of the timber section and thereby [illegible] $15.00 per acre as a fair price.

Sir:-

Re: Plan of survey in S.E. 1/4 Section 5-5 applied for by Mr. Lloyd H. Fenerty.

File 309-305 referring to your communication of December 27 with reference to the above mentioned plan, it is not clear from the plan submitted for record of the boundaries of the parcel applied for by Mr. Fenerty and by metes and bounds it is not possible to determine its exact position with reference to the surveyed lines of the township. Furthermore it is not sufficiently clear from the plan to describe the parcel with reference to the northerly limit of the Nine-Mile River and the sinuosities of the river. The plan should be returned for correction by the surveyor who made the survey so that the parcel may be described with reference to the surveyed lines of the township and the plan so corrected that the parcel may be clearly shown with reference to the northerly limit of the Nine-Mile River. Furthermore it is not clear from the plan whether the road allowance between Lots 4 and 5 is actually open or not. If it is not open it should be stated on the plan that the parcel will be subject to the right of the Department to lay out a public road over the same. If the road allowance is open the plan should show whether or not there is a practicable road along the road allowance. If there is not a practicable road along the road allowance the Department should be informed whether it is intended to lay out a public road in the subdivision of which this parcel is a part or whether the parcel is to be accessible by river only. The plan should be returned for correction by the surveyor who made the survey.

No. 4156 C.I.

Upon this Department granting letters patent to Mr. McLean for an adjoining parcel lying between the parcel and the subdivision referred to above, the parcel applied for by Mr. Fenerty will be reduced to a width of 33 feet. The extension of this boulevard was disposed of in order to provide access to parcels further up the river.

In connection herewith I enclose herewith a tracing showing the parcel applied for by Mr. Fenerty and the plan on file beneath it which is required for the purpose of showing the relation of the parcel to the surveyed lines of the township. By memorandum of January 1st, 1913, on file in this office, attention was called to the fact that the plan submitted for the parcel applied for by Mr. Fenerty had been loaned to Mr. McLean and would not be returned without difficulty to extend the road allowance between Lots 4 and 5 in order to furnish access to the parcel applied for by Mr. McLean.

Before Mr. Fenerty's application is granted he should be required to secure from Mr. McLean the transfer to the province of the land required for a roadway. He should further enclose from his own application the land required to extend the roadway across the land he desires and he should be required to furnish a plan of survey by a Dominion Land Surveyor, showing the boundaries of the parcel applied for properly defined by monuments.

Application of Mr. Lloyd H. Fenerty for a parcel of land in southwest quarter section 12 township 23-5-5.
Your file 1273.

In further reference to your letter of October 30 to the Deputy Minister in reference to the above, this Department is unable to provide access to the parcel applied for by a roadway connecting with the boulevard along the right bank of Elbow river, shown on the plan of Bragg Creek subdivision registered in the Land Titles Office under No. 8556 C.L. but access may be had by a roadway connecting with the road allowance on the west side of section 12. It will, however, be necessary to exclude from the parcel applied for a road 66 feet wide, located so as to include the present travelled waggon road shown on the plan prepared by Mr. H.H. Moore D. . .

It will further be necessary for Mr. Fenerty to have made at his own expense by Mr. Moore or another duly qualified Dominion Land Surveyor who is satisfactory to this office, a proper survey and the required plans of the parcel applied for, defining the several angles thereof by standard survey monuments.

If under these conditions Mr. Fenerty is still desirous of acquiring the parcel of land applied for, instructions for the required survey will be issued upon request, to the surveyor to be nominated.

EXTRACTS FROM MR. [illegible]'S LETTER DATED JANUARY 21, 1923.

"I am very desirous of being allowed to divert the trail some distance to the south of its present position where it passes over the land I have applied for, as otherwise there will not be sufficient room on the bluff overlooking the bank of the river to put up even a camp such as I had in mind. (the trail passes practically on the edge of the river bank)."

"I would like to go ahead with the application for the grant if I can divert the trail some 30 or 40 yards to the south."

EXTRACTS FROM MR. [illegible]'S LETTER DATED MARCH 17, 1923.

"Notwithstanding the position of the trail as shown by the plan, it is a fact that it approaches very close to the actual edge of the Bluff, as the bank extends much further in than is indicated by the markings on the plan. In fact at one place the trail is within eight or ten feet of the edge. I note, however, that the Department is willing to have me divert the trail for a short distance to the south. The whole lot to the south is quite as open and level as the present location of the trail so that there can be no possible objection on that score."

The following papers are enclosed:-

1. Sketch plan of area applied for by Mr. Fenerty.
2. Blueprint of parcel granted to Mr. H. McLean.
3. Copy of plan of township 25-5-5.
4. Duplicate of an order on J.C. Sylvestre for two crates of standard posts.

Extracts from two of Mr. Fenerty's letters are enclosed for your information.

COL. J.R. VICARS, M.E., D.L.S.,
9 Thomas Block,
CALGARY, ALTA.

Sir:

Enclosed herewith is a copy of a sketch plan showing an area of land applied for by L.H. Fenerty of Calgary in the southwest quarter of section 12, township 22-5-5.

The adjoining property to the east was patented to Mr. Howard McLean according to a description by metes and bounds, but it has been decided to survey Mr. Fenerty's parcel before disposing of it.

The necessary data for locating the common boundary between the two parcels are shown on the tracing. You are to survey the boundaries of the Fenerty lot and mark the angles with standard posts, pits and mounds. The northerly boundary is to be the bank of Elbow river and a proper traverse is to be made.

There is a trail or waggon road crossing this lot which connects with the boulevard along the right bank of the river laid out in the subdivision of part of the north half of section 12. Mr. Fenerty does not want this trail excluded from his lot as he claims it is so near the brow of the bank that it would destroy his building site and that a location further from the river would be equally suitable for a road. You are to lay out a road 66 feet wide, beginning on the east boundary of Mr. Fenerty's lot where the waggon road or trail enters, and extending across the lot in the most suitable location, from the point of view of the occupancy of the lot and the practicability of the road. This road survey is to be extended to connect with the road allowance on the west boundary of the section. Provided the area in section 12 served by the extension of this road is a suitable location for any further lots you are to complete the survey of them also.

Encls.

Mr. Fenerty's lot is to be designated as lot A. Any further lots you may survey are to be designated as lots B, C, etc.

Your bearings are to be derived from those shown on the enclosed tracing which in turn were derived from those shown on registered plan No. 8556 C.I.

Your survey is also to be tied to one of the monuments of the Dominion Land System of Survey on the east boundary of section 11.

Letter Fenerty to Greene,

March 27th, 1923.

Dear Mr. Greene:-

x x x x x x x x

In view of the tone of Mr. Shanks' letter, I do not suppose it would be of any use to make any further attempt to obtain a grant without a reservation of the roadway. Notwithstanding the position of the trail as shown by the plan, it is a fact that it approaches very close to the actual edge of the Bluff, as the bank extends much further in than is indicated by the markings on the plan. In fact at one place the trail is within eight or ten feet of the edge. I note, however, that the Department is willing to have me divert the trail for a short distance to the South. The whole lot to the south is quite as open and level as the present location of the trail, so that there can be no possible objection on that score.

While Mr. Shanks evidently feels that he cannot recommend the same form of grant in my case as was given to Mr. McLean, I should think the Department would still be prepared to make the grant on the same form of survey as in the case of the plan submitted by Mr. McLean, particularly where the lot I am applying for adjoins that of Mr. McLean and the measurements and plans in both cases were made by the same Surveyor. In such case Mr. Moore could mark the wagon trail as it would be diverted in the actual plan submitted without the necessity of making a further survey.

I might say that a further survey on the ground will cost from $40 to $50, and in view of the total estimated value of the whole property as $45, this is quite an item, particularly when I have already paid $45 for a survey and plan similar to that already accepted by the Department in Mr. McLean's case. I can quite understand the Department insisting on a roadway being reserved if in fact it was merely overlooked in the McLean case, but there can be no possible excuse for insisting on a different survey with different markings, particularly as the McLean plan and description was the subject of some correspondence and surely if the survey was deficient in that case, it was at least not overlooked when the grant was issued.

If you could arrange for the grant without a new survey but with a reservation for wagon road sixty feet wide, and will have the original plan returned to me, I will have Mr. Moore show its proper location.

Yours very truly,

(sgd.)H. Fenerty.

Ainslie W. Greene, Esq.,

Dear Sir:

x x x x x x x x x x x x

I am rather disappointed that the Department has seen fit to insist on these requirements, particularly as Mr. Howard McLean had no difficulty in obtaining the approval of the Department to the plan of survey of the adjoining piece of land obtained by him, which was prepared and carried out by Mr. Moore, the same Surveyor, in exactly the same way as the present survey. It would seem peculiar that with two small parcels between 3 and 4 acres each, both adjoining, that Mr. Moore's plan of survey would be acceptable in one case and not in the other. However, if the Department insists on additional expense of probably $50 or $60 in connection with a piece of land valued at $45, I will, of course, have to comply with their regulations should I proceed further with the matter of acquiring title.

There is another requirement, however, which if insisted on would render the property practically valueless to me. You will note that the letter from the Department of 2 th January provides that the Department is unable to provide access by a right-of-way connected with the Boulevard connected with the Bank of the Elbow River, but that access might be had by right-of-way connected with the road allowance on the West side of Section 12, and further, that it would be necessary to exclude from the parcel applied for a road 66 feet wide, located so as to include the present travelled waggon road shown on the plan.

The reason that the Department cannot give me access to the roadway connecting with the Boulevard along the Elbow River, is that the parcel of land granted to Mr. McLean immediately adjoining the pieces I have applied for to the East, would intervene between the road mentioned and the property in question, and inasmuch as the waggon road which the Department says will have to be excluded from the lands passes directly over the land granted to Mr. McLean and connects with the road along the Boulevard on the river, and the Department did not exclude from the grant to Mr. McLean the section of this road passing over his land, it seems rather absurd to me to make such an exception in the case of the land I have applied for. The situation is that this road, which is nothing more or less than an irregular trail winding through the property, would stop at the westerly boundary of the land granted Mr. McLean and communication by this road could be shut off by Mr. McLean

at any time. As a matter of fact I had already arranged with r. McLean for a right-of-way over this trail, and I will not require to obtain a right-of-way over a long stretch of the rest of the section as suggested by the letter of the Department, and further, it was not the intention of either Mr. McLean or myself to prevent traffic over the trail in question, but I am very desirous of being allowed to diver the trail some distance to the South of its present position where it passes over the land I have applied for, as otherwise there will not be sufficient room on the bluff overlookin the Bank of the River to put up even a camp such as I had in mind. (The trail passes practically on the edge of the river bank.)

In view of the fact that the regular survey road to all of the properties lies a short distance to the South of the property in question, and as the trail referred to, which is one used for convenience only, lies on private lands both on the East and the West of the land in question, no good purpose would be served by reserving if from the land, and certainly there would be no necessity for reserving a strip 66 feet wide over a piece of land three acres in extent where the road would begin and end on the land in quedtion.

I would ask you to make one further attempt to have the grant issued on the same terms as the grant to Mr. McLean with reference particularly to the plan markings and the reservation of the trail, and if this is not possible, please endeavor to have the reservation as to the trail left out as in the case of McLean grant. If, however, this is also impossible, I would like to go anead with the application for the grant if I can divert the trail some 30 or 40 yards to the South, as whether the ground covered by the trail is reserved or not, I have not the slightest intention of attempting to elote it to traffic, nor do I think has Mr. McLean though he is in a position to do this at any time.

Dear Sir:

With further reference to my application for property at Brazeau Creek, I have now been advised by Col. Vickers that survey of the property has at last been completed and that he has forwarded a plan to Ottawa, in which the property I made application for is described as Lot A. A second lot suitable for camping purposes has also been surveyed and laid out and is described on the plan as Lot B, and in view of the fact that a sixty foot road has been laid out running across both lots, taking up approximately one-third of the lot I originally applied for, I would now like to make application for both lots.

I am assuming of course that the original price of $15.00 an acre and at which figure Mr. Maclean purchased the best available piece, will still be the price and in view of the fact that I understand the second lot was laid out for the purpose of sale as a camping sight, I presume there can be no objection to my acquiring it as well as the one originally applied for.

I am sorry to again trouble you with the matter but if you can now get the Department to bring the matter to a conclusion, I would be very grateful.

Yours very truly,

Dear Mr. Greene,

With reference to your letter of the 10th instant, in connection with the desire of Mr. L. H. Fenerty to acquire two lots which seem to have been surveyed in the South West quarter of Section 12, Township 23, Range 5, West of the 5th Meridian, I may say that, after giving careful consideration to your representations, the Department is of the opinion that one lot should be sufficient for Mr. Fenerty's purpose.

The Controller of Land Patents Branch will write you.

Yours very truly,

Deputy Minister.

Ainslie W. Greene, Esq.,
Barrister, etc.,
Hope Chambers,
63 Sparks Street,
Ottawa, Ont.

Mr. Fenerty now states that on account of the road having been surveyed across these two lots and occupying about one-third of the land he originally applied for, he now desires to acquire both lots.

From the survey rade it would appear that Lot "A" ought to be quite sufficient for the purpose of erecting a summer cottage.

If the Department desires to consider Mr. Fenerty's application for Lot "B" as well, which comprises 1.70 acres, the sale might, I think, be made at the same rate as Lot "A", namely, $15.00 an acre.

Respectfully submitted,

Controller.

OTTAWA,

Under date of the 27th June, 1923, the Agent of Dominion Lands, Calgary, asked what disposition was to be made of the quarter-section. He was informed that the sale of 3.08 acres to Mr. L.H. Fenerty was then under consideration.

As some twenty-one months have elapsed since the last report above quoted, you may consider that the Agent should be requested to instruct an Inspector to furnish a full report in regard to this land, it's value, and in his opinion, what disposition should be made of it, or you may consider that the Agent should be instructed to reserve it from disposition and inform the Department if he receives any enquiries in regard to the same.

SKETCH OF N.W. 12.

TOWNSHIP 23 RANGE 5 WEST 5 MER.

149.92a net.

Marked formerly coloured Green.

Sketch attached to illustrate situation in memo of 13-1-25

"Value per acre nine dollars. ($9.00)."

In a letter dated the 21st November, 1922, the Deputy Minister informed Mr. J.W. Martin, Inspector of Agencies, that it appeared from the official file considerable use is made of this quarter-section during the summer months by people from Calgary, who go out there and camp over the week-ends, and requested him to state if it would be advisable for the Department to sub-divide the property as a summer resort, disposing of the Lots by sale after valuation. Mr. Martin's report, dated the 6th December, 1922, is in part as follows;-

"This spot is locally known as Bragg "Creek as the Post Office of this name is located "a very short distance from the land in question. "Land in the immediate neighborhood has been sub- "divided for camping sites or the erection of "small cottages, and this subdivision has been "somewhat advertised during the past three or four "years but up to date there are only a very few "cottages erected on same. It is understood that "a few persons during the summertime camp in this "vicinity, some of whom camp on the S.W. of 12-23-5, "West of the 5th Mer.

"I am of the opinion that this land is not "of sufficient value nor is there a sufficient "demand for same to warrant the Department in sub- "dividing any area thereof for disposal to the "public. It is not of much value for any purpose.

"The people in this district are of the "impression that it should be reserved for Park "and Camping purposes and it might be a convenience "to some if it is reserved for these purposes, but "if this is done, every camper who has no monetary "interest there becomes a fire hazard, and what "timber is remaining on the quarter-section is "likely to be destroyed.

"I am of the opinion that the land is of no "value for homesteading purposes and possibly could "not be disposed of if put up for sale and that the "expense of subdividing some of it into lots for "sale would not be justified, at least for the "present. As it is now reserved for timber and in "order to assist in protecting the timber and also "to accomodate any parties desiring to purchase "cottage sites, I would suggest that applicants who "desire to purchase should be permitted to secure "small areas after having them properly surveyed "at their own expense. These parties having interests "of their own in the locality would endeavour to "see that fires started by indiscriminate campers, "are extinguished. Also, if the building of a few "cottages on this property will have any effect, this "effect should be beneficial in that it might increase "the value of the balance of the quarter-section."

S.W.¼ 12-23-5-W. 5th Mer., less patented portion and surveyed Lot "B" and road through Lots "A" & "B". Area 149.22 acres.

Question - Disposition of land.

3.08 acres of this quarter-section is patented to a Mr. H.W. McLean and his wife in equal shares; and in addition two parcels termed Lots "A" and "B" and the roadway through them have been surveyed and a special plan of them published. Lot "A", comprising 2.7 acres, is patented to a Mr. L.H. Fenerty. Lot "B", comprising 1.7 acres, is at present vacant. (see sketch attached).

In view of a report by Crown Timber Agent W.E. Talbot to the effect that there is no more than 50,000 feet b.m. of timber on the whole quarter-section, the reservation of the same for timber was cancelled on the 12th May, 1922, and under date of the 16th June, of the same year, the Agent was requested to instruct an Inspector to report very fully as to it's character, value etc., and state whether it is agricultural land or best adapted for a summer or holiday resort. This report, dated the 18th September, 1922, is as follows;-

"Said land is mostly on a high hill
"sloping to the West and covered with green jackpine,
"spruce & poplar, not very large. There is possibly
"about eighteen thousand feet of merchantable timber
"on same on west side.

"There is a strip of fairly level land
"on quarter about 4 acres.

"Speaking with some of the settlers in
"the vicinity of land, they said if possible, would
"like to get land for park purposes. If such an
"application should be submitted to the Department
"for that purpose and same be granted, I would recommend
"that some restriction should be made as to cutting
"timber on said land.

"Same is unfit for agricultural purposes
"and I do not think sufficient stock could be maintained
"on quarter to conform with proving up under the stock
"regulations. Land is suitable for grazing only.
